Dear Representative Udall: Tucson Arizona  
yesterday I wrote

To you about prisoners of conscience in  
of Salvador Chile - and Chileans in Argentina

To day I enclose

the case of an Argentine girl who was a  
Field Service student in Nashville Tennessee  
in 1971 - I have written to Ambassador  
Lopez A. Ayala Esp. I, I wrote to him on March  
3rd 1981. He never answered - People in  
Nashville have written too but he refused to  
answer. Could you talk with him. It

has to be very carefully as they might  
do harm to her family in Buenos Aires  
and her poor baby. I also wrote to  
the American Field Service Committee at 313  
E 43 St New York. They never answered.

Jacobo Timmerman in his book says  
it is dangerous to investigate about the  
"disappeared" they take revenge on the family  
left. I also enclose the picture of 3  
other Chileans "disappeared" one of them a  
prisoner. He is supposed to be alive in  
jail but tortured
